CALL FOR PAPERS

International Researchers Club (IRC) was set up in Singapore in 2001 (www.irc.org.sg). As an established society, IRC's vision is to create a vibrant and innovative research community for Singapore and beyond. IRC organizes the IRC Conference on Science, Engineering and Technology (IRC-SET), an annual event, to provide a platform for young and talented researchers to share fresh results, obtain comments, and exchange innovative ideas of leading-edge research in the multi-disciplinary areas. You are cordially invited to submit your recent research work to the IRC-SET conference. Researchers from universities, polytechnics and junior colleges are warmly welcome to present your research and projects in our academic environment. The IRC-SET Conference is free to IRC members. The multi-disciplinary areas include, but are not limited to:

- Aerospace Engineering
- Architecture and Planning
- Chemistry
- Electrical and Electronics Engineering
- Environmental Sciences
- Food Science and Technology
- Healthcare
- Computer Science & Engineering
- Life Sciences
- Material Sciences
